

## Delivery of the modules

The programs are delivered as eight-week modules (two 60 minutes classes per week) and are supplemented by a resource pack that expands upon the content of the course. There are 5 different module courses that we offer. Dance specialists who have been trained in the delivery of the course by the author of the program teach the courses. Courses will be held on the facilities provided by the partner site.

### The wider impact on pupils and schools

92% reported an improvement in pupils' confidence

91% reported an improvement in pupils' communication skills

87% reported an improvement in pupils' motivation

80% reported an improvement in pupils' enjoyment of school

78% reported an increase in pupils' ability to learn independently

### Each module is available to buy-in as a Module Package.

#### Each Module Package includes:

A dance teacher and choreographer who is a specialist in their field to deliver the course

10 resource packs to give to the participants

Educational materials to support the execution of the course

Certificates of Attendance for the course participants

Performance opportunity as part of BTI performing season or an on-site performance.

#### Buying-in a Program Module Package:

The price of a partnership BTI module package is \$3,200 per partner site.

Up to 25 people can participate on a course, therefore this equates to \$120 per student (or \$350 per student with a minimum of 15 students per class).

“ We believe that tapping into their power to believe will open them up to learning, working together, discipline and peace ”

“ We believe that dance is the most successful form of education for young people who never developed the power of belief ”

## bti TRANSFORMATIONAL Dance Training PROGRAMS

# How It Works

### Who we ®

Ballet Teatro Internacional Dance Institute is a dance school created under a social entrepreneur model that generates transformational dance training programs. BTI Dance Institute is under the umbrella of Ballet Teatro Internacional Dance Company and is a grant recipient of USAID. Our mission is to use the power of music and dance to break down the barriers between young

people as we cultivate their capacity for self-belief. We accomplish this by bringing together young people of different backgrounds and nationalities and through the medium of dance teach them the value and own potential successful form of education for young people who never developed the power of belief.

#### OUR TRANSFORMATIONAL DANCE PROGRAMS INCLUDE:

**1) Dance Training:** This is an eight-week program of beginner level modern dance training. The curriculum includes technique classes, choreography and composition, stretching and alignment, and looks at the importance nutrition and anatomy relating to dance. The program also includes a performance opportunity.

**2) Behavioral Therapy:** A licensed therapist will establish a conversation before and after each class and course creating a dialogue to work through the behavior that causes obesity, violence, depression and other social issues that our youth face everyday. If needed a social worker will follow up with each student in case they need more professional attention.

**3) PERFORMANCES:** The participants perform the work learned during the program as Company performance in the area and/or the site where the program is executed

### Who we serve

IBT Dance Outreach community program is dedicated to providing Dance education for students with academic, social and domestic challenges—criteria that often determine a child's risk of dropping out of school and tendency to gravitate towards violence and drugs, among other anti-social behaviors, in the U.S and Latin America.

### What we provide for them

We provide transformational Dance training programs which aims to give every child and young person in The US and Latin America the opportunity to take part in a dance training program and performance each year. The 5 modules within our programs have been written by experts in the realm of Dance as an Art form.

### There are 2 ways to participate

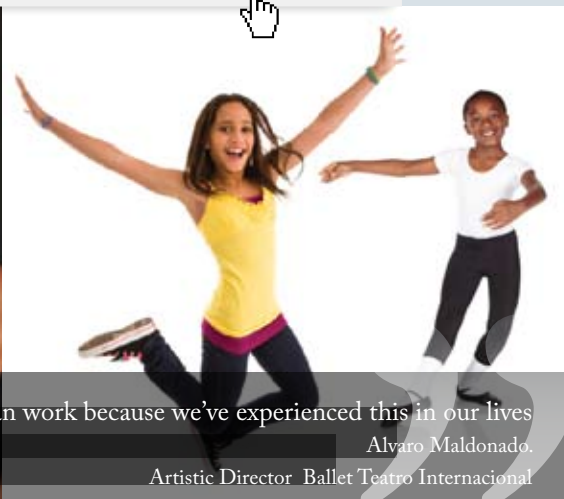

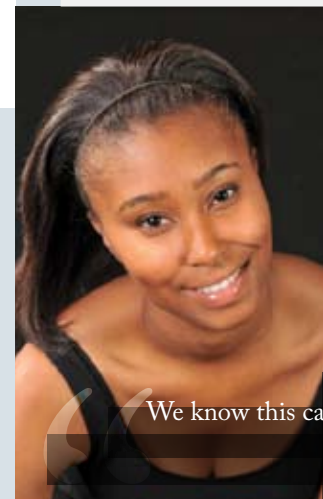

Visit our website for details.

### How do we do it?

The Partnership program partners with other outreach organizations, non-profit agencies, and public, private and charter high schools, to ensure that youths in The U.S and Latin American countries have access to long-term dance programs, dance workshops and seminars - focusing on modern dance techniques, leadership, and choreography.
